

PLEASE SHARE THIS INFORMATION WITH YOUR EVENT PLANNER OR VENUE

It is your responsibility to be sure the equipment ordered fits your space.

Per your agreement: In the event that, upon arrival at the venue, any gaming table(s) cannot be set up or utilized due to insufficient space, layout constraints, or any other on-site conditions beyond the Company's control, the Client shall remain fully responsible for and obligated to pay the total contracted amount for all gaming tables as originally agreed. No refund, credit, or reduction in fees shall be issued under such circumstances.

TABLE SIZES AND DIMENSIONS

photos can be found on our website at <https://phillycasinoparties.com/casino-games/>

Please note for seated games, we do NOT supply chairs. You would need to have FOLDING or BANQUET chairs of STANDARD HEIGHT on site as specified below. NO BAR STOOLS!

BLACKJACK SET UP

of players at any given time: 7 plus dealer

Required on site: **8 folding or banquet chairs per table**; our tables can be converted to a standing game as well to save space if preferred.

Table Size: 3' x 7' serpentine

Table Size: 4' x 8'

SLOT MACHINES

Each bank of 3 slot machines fits on a heavy duty, sturdy and stable **8' table**. You will need to supply the table on site. Please note plastic folding tables will not work! In addition, a **20A 110V grounded, dedicated electric outlet** is needed for every 3 slot machines. Nothing else can be plugged in to the same line.
